Introductory Comments

Sir:

This Revised Amendment is filed in Response to the Notice of Non-Compliant Amendment (37 CFR 1.121) dated March 30, 2006. The Notice indicates that the Amendment filed March 21, 2006 was non-compliant because the new claims should not have had any underlining. In this Revised Amendment the new claims do not have underlining.

Applicants are filing this Amendment to amend the claims and specification as in the Supplemental Amendment and Second Supplemental Amendment, and to add new claims and respond to comments in the Advisory Action.

Please do not enter the Supplemental Amendment and Second Supplemental Amendment filed after the final Action, and which were not previously entered. In addition, since this Revised Amendment replaces the Amendment filed March 21, 2006, please consider the amendments and remarks in this Revised Amendment in place of those presented in the Amendment filed March 21, 2006.
